Re: Additional Clean Copies to Amendment [REDACTED] AM00C-1

Attn: Pam Grubaugh-Littig

Enclosed are an additional three (3) clean copy set to the above-referenced amendment for the ASCA areas at the Cottonwood/Wilberg Mine. There has recently been some confusion on the quantity of clean copies that need to be sent to your office. It was our understanding that only four (4) copies were needed. However, seven (7) clean copies are needed for each amendment.

If you have any questions, please call me at (435) 687-4720.

Sincerely,

Chuck Semborski

Geology/Environmental Supervisor
